Water bottle/container – Please ensure you provide your child with a named bottle/container of water.

Naming of personal items – Please ensure that all items that come to Pre-School are clearly named, this should include all coats/jackets, wellies, lunch boxes and drinks bottles.

Morning sessions fruit – The morning snack time fruit is prepared with the children who help cut it up and divide onto serving plates.

Pre-School purchases a fantastic variety of fruit and veg. There is a small charge per morning session for this which is detailed on your invoice.

Afternoon session lunch – Tues PM, Weds PM, Thurs PM & Fri PM – Please provide a healthy packed lunch (no fizzy drinks or foods that contain nuts please) for your child on the sessions listed above. Please make sure that you include a cold block with your child's lunch and ensure that grapes are cut up.

Creative supplies and special occasions – With the increasing cost of items required for creative activities and special occasions we ask for a small contribution per term which is detailed on your invoice.

Fees – We accept both the universal 15 hours and the extended 15 hours of Free Educational funding from the Government which can be claimed from the term following a child's third birthday. There is a cost for children attending Pre-School in the terms before their third birthday, our rates will be communicated by email preceding their commencement.

If you use more than one setting and wish to split your funded hours across all settings, we will need to be advised of this so it can be recorded on your TVPS funding form. This will enable any hours exceeding your funded hours to be invoiced appropriately. All methods of payment including bank transfer and childcare vouchers are detailed on your half termly invoice.

Uniform – We do have a uniform and you are welcome to purchase some at any time. We keep a stock on the premises. The uniform includes t-shirts and sweat shirts, these are not compulsory items. Uniform request forms are available from the TVPS staff. Please ensure your child does not wear open toed shoes such as sandals.

Home time book – Please send an email or text stating who will be picking your child up if it is different to normal, if we haven't met them before please either supply a password or send a photograph. If your plans change or you are going to be late for pick up then please ring **01883 732010** so that we are aware of any changes.
